

MRWA Web Site Program
in partnership with
World Visions Internet Services, LLC

We Offer Four Packages to Meet Your Needs

1. **Web Presence - Sub domain:** \$200 per year
 - An inexpensive way for small water districts, villages or organizations to have a web presence. These sites typically provide basic info like contact, staff, board and other general information
 - Requires no domain name and no individual hosting. We create a domain such as www.mowater.com and sub domains run under that one i.e. www.mowater.jcpwsd1.com or www.jcpwsd1.mowater.com.
 - Template Site
 - Two pages, static
 - No E-Mail with this package
 - Add Editing Ability \$150

2. **Express Business Package:** \$500 set up \$250 per year
 - Your Own Domain Name included FREE - i.e jdpwsd3.com (org)
 - Template Site
 - Up to 5 pages
 - Feed Back Form
 - Self edit from any Internet connected computer
 - 2 E-Mail addresses

3. **Enterprise Package:** \$999.00 set up \$250 per year
 - Your Own Domain Name included FREE - i.e jdpwsd3.com (org)
 - Up to 15 pages
 - Feed Back Form
 - Self edit from any Internet connected computer
 - 5 E-Mail addresses
 - Expandable – add optional features below

4. **Custom Web Site**
 - Your Own Domain Name included FREE - i.e jdpwsd3.com (org)
 - Unique – original design
 - Premium hosting – Unlimited E-Mail Addresses
 - Custom Dynamic Menus
 - Flash Elements
 - More

Optional Programming Available: Or “Do you want Fries with that?”

- Online Document Manager - \$200
- Password Protected Areas for Staff or Members - \$75 plus additional pages
- Online Credit Card Payment Processor for Water Bills - \$350
- Dynamic Calendar - \$185
- Photo Gallery - \$150
