4th Annual Board & Council Summit A Training Meeting for Board Members & Council Persons

**"You Weren't Elected to Hide
Your Head in the Sand"**

**June 26 & 27, 2008
The Resort at Port
Arrowhead
Lake Ozark, MO**

Being A Better Decision Maker Requires Foresight...And Hindsight.

As a water board member or city council person, ever feel like you're trying to make good decisions but you feel unsure of what's expected? Ever worry that something you don't know **might come back to haunt you?**

Join us at the Resort at Port Arrowhead as we shed some light on the issues you need to know to properly carry out your elected duties.

From basic needs of your system, where the regulatory world is going, and to knowing just what it means to be a decision maker, we can certainly help. We'll provide you with real knowledge you can take back home and put to use immediately.

Don't miss this opportunity to sharpen your skills as a decision maker.
